

# 教育雲教育媒體影音使用方式：

The screenshot displays the Edu Media & Audio-Video (教育雲教育媒體影音) website interface. At the top, the navigation menu includes '網站導覽', '影片分類', '主題專區', and '成果榮譽榜'. The '主題專區' (Theme Area) dropdown menu is open, listing various categories such as '英語文專區', 'LIS情境科學', 'DeltaMOOCx', '國教署學科影片', '疫起線上看', '加深加廣', '數位教學增能', '國教署科技領域微課程', '僑見世界英語專區', '交通安全', '美力台灣', '雙語教學課程', and '全民國防教育'. The '交通安全' (Traffic Safety) option is highlighted with a red circle.

Below the navigation menu, the main content area shows the breadcrumb path: '所在位置：首頁 > 主題專區 > 交通安全'. On the left, a filter sidebar shows '全部 (15)', '國小 (6)', '國中 (1)', and '高中 (8)'. The main content area is titled '交通安全' and displays a list of video thumbnails. The first thumbnail is titled 'EP6安全是一輩子的事' with a duration of 00:07:38 and a view count of 194. The second thumbnail is titled 'EP5瀟灑男爵的挑戰' with a duration of 00:07:14 and a view count of 169. The third thumbnail is titled 'EP1超安全的強' with a duration of 00:06:43 and a view count of 575. The '10-12 年級' (10-12 Grade) filter is highlighted with a red circle. The text '共有 15 部影片' (Total 15 videos) is also circled in red.
